Address and E-mail:

To: **Admissions Office, Fujita Health University Graduate School of Medicine**
Address: 1-98 Dengakugakubo, Kutsukake-cho, Toyoake, Aichi 470-1192 Japan
E-mail:med-e@fujita-hu.ac.jp cc: your supervisor

When sending documents by post, be sure to use registered mail or an equivalent postal method. Documents received after the deadline will not be accepted.

- Applicants whose current name do not match those on the certificate, or any other documents, are required to submit an official certification of the name change.
- If the certificates are not in English or Japanese, applicants must submit both the originals and translations by an accredited translator.
- Applicants who need special arrangements due to any physical disabilities need to inform us when applying.
- After application forms are submitted, they are not allowed to be changed.
- The examination fee will not be refunded for any reason.

- If false information is discovered in any application documents, admission and/or enrollment may be revoked at any time.

3) Examination fee

The applicants should use a bank allowing foreign remittance (bank wire transfer) and transfer the examination fee of 20,000 Japanese yen into the following bank account.

a. The applicants who have graduated or expect to graduate from the master's course at Fujita Health University do not need to pay the examination fee.
b. Please do not send US dollars or other currencies. In case you make payment in currencies other than Japanese yen, your application will not be accepted.
c. Please note that you will have to bear all service charges/commissions for the bank transfer. There may be other bank transfer fees for corresponding banks (routing banks) as well. Please confirm these fees when you make the transfer.
d. Please note that you are responsible for all of these fees related to the cost of transfer. Thus, please make sure that you indicate to the remitting bank that you will bear all service charges/commission fees.
e. Please make sure to submit the copy of the certificate of remittance (receipt) issued by the bank, along with the other application documents.
f. For the wire transfer, be sure to write the applicant's name (English alphabet) in the message column or any equivalent section.

8 Announcement of Examination Results

1) Successful application results will be posted between 2:00 pm on February 1 and 12:00 pm on February 11, 2027, on the website.
2) Applicants may contact supervisors at the desired departments/laboratories for their results, but may not ask Graduate Student Affairs.

9 Enrollment Procedures

Each successful applicant will receive enrollment guidelines upon notification of acceptance. Follow the directions of the guidelines.

10 Mandatory Immunization Health History Form

All international students, who plan to enter Japan with the student visa, must download, complete, and submit the Mandatory Immunization Health History Form between December 9, 2026 and February 26, 2027 to the Admissions Office through e-mail. Please note that successful applicants are permitted to come to the campus or the hospital AFTER the Mandatory Immunization Health History Form is officially approved.

11 School Fees

Successful applicants must pay the total fee (below) by February 26, 2027 (Friday).

	General students	Working students
Enrollment fee	150,000 yen	150,000 yen
Annual tuition fee	300,000 yen	500,000 yen
Total fee	450,000 yen	650,000 yen

1) The above fees will not be refunded for any reason. However, if the applicant submits a notice of withdrawal from enrollment (optional format) by 17:00 Wednesday, March 31, 2027 (must arrive) and requests a refund of the payment of the school fee, it will be refunded, excluding the enrollment fee.

2) Successful applicants of general students who are eligible for a tuition reduction may receive a partial waiver (200,000 yen) of the 500,000 yen annual tuition for the doctoral course. Applicants of the Tuition Fee Reduction System must submit the Application Form for Tuition Fee Reduction System in the application period.

Note that general students are the students who study at university for, in principle, four days or more in a week, and do not have any regular employment contracts with hospitals or companies. When a general student's situation changes to a working one at the beginning or middle of the school year, University will ask for the full tuition fee.

3) Scholarship Information

Fujita Academy Grant

The Fujita Academy Grant is provided to prospective international students facing financial challenges that are hindering their studies at Fujita Health University. Recipients, who show exceptional motivation, are not required to repay the grant. Interested students should contact their accepting supervisors to apply for the grant. For more details, please check the website.
(https://www.fujita-hu.ac.jp/en/faculty/scholarship/kka9ar00000025i5.html)

Global Education and Research Grant

Through the 2027 "Global Education and Research Grant" from Fujita Health University, instructors accepting international graduate students hire them as research assistants for international projects. The grant provides 50,000 JPY per person per month with an annual acceptance quota of two students. Interested students should contact their accepting supervisor to apply for the grant. For more details, please check the website.
(https://www.fujita-hu.ac.jp/~intl/forfhumembers/jyoseikin/index.html)

Japanese Government Scholarship

The Japanese government offers the MEXT Scholarship for Embassy Recommendation and

University Recommendation. International students who wish to apply for the scholarship should refer to the application guidelines on the MEXT website for more details. (https://www.mext.go.jp/en/policy/education/highered/title02/detail02/sdetail02/1373897.htm)

１２ Declaration regarding the Handling of Personal Information

1) This university will take all necessary measures for the proper handling and safe management of all personal information in accordance with the Act on the Protection of Personal Information.
2) Personal information submitted at the time of application will only be used for procedures related to the admissions process.
3) Personal information that is submitted will not be disclosed or submitted to any third party without an applicant's consent, except in cases where disclosure is required by law.
