

Fujita Academy Grant Application Guide

I. Fujita Academy Grant

Fujita Academy offers its own academic support "Fujita Academy Grant" for prospective international students who are experiencing financial hardship that makes it difficult to start/continue their studies despite tremendous motivation to study at Fujita Health University (FHU). Recipients do not need to repay this grant.

II. Scholarship amount

The grant would cover below;

Admission Fee	Will be exempted
Annual Tuition	4 years at most*
Dormitory Fee	4 years at most* Housing outside of campus will be not covered by the grant.

*The exemption of annual tuition and dormitory fee for the next year will be decided through the screening process based on the annual report and the number of their obtained credits.

III. Eligible students

Eligible students are the International Students with foreign nationality who are willing to be enrolled in the FHU Spring/ Autumn admission 2022 or who have already entered FHU.

Number of recipients for 2022: 1 student

IV. Application schedule

Application period	October 1st- 30 th , 2021
Screening period	November 1st-30 th , 2021
Result announcement	Early December, 2021

*Note: Even this application period is prior to the application period for admission 2022, please go through the application procedure.

V. Application method

1. Recipients need to contact the department professor who will be accepting him/her and notify that his/her wish to apply for the grant.
2. Recipients need to submit the required documents to the department professor.
 - Fujita Academy Grant Application Sheet (*The format is on the next page)
 - CV (including your academic career, research career, publication if available)
 - Latest or provisional certificate of degree or diploma
 - Latest or provisional transcript
 - Statement of purpose (free format)
3. The professor would prepare the recommendation letter for applicants and take the needed procedure with submitting recipients' documents by the due date.

VI. Selection Process

Applicants would be screened by their submitted documents such as application sheet, CV and recommendation letter from the department professor. The result announcement would be notified by e-mail.
