

Fujita Academy Grant Application Guide

I. Fujita Academy Grant

Fujita Academy offers its own academic support "Fujita Academy Grant" for prospective international students who are experiencing financial difficulties despite tremendous motivation to study at Fujita Health University (FHU). Recipients are not required to repay this grant.

II. Scholarship amount

The grant would cover below;

Admission Fee	Will be exempted
Annual Tuition	4 years at most*
Dormitory Fee	4 years at most* Housing outside of campus will not be covered by the grant.

*The exemption of annual tuition and dormitory fee for the following year will be decided through screening process based on the annual report and the number of recipients' obtained credits.

III. Eligible students

Eligible students are the International Students with foreign nationality who are willing to be enrolled in the FHU Spring/ Autumn admission 2024 or who have already entered FHU.

Number of recipients for 2024: 1 student

IV. Application schedule

Application period	November 1st- 30 th , 2023
Screening period	December 1st-30 th , 2023
Result announcement	January, 2024

*Note: The period of application above is for 2024 Spring and Autumn Admission. There will be no other application period open other than above dates.

V. Application method

1. Applicants need to consult with the department professor of their program choice prior to this application. After receiving professor's approval, please notify them the intent to apply for the grant.
2. Recipients are required to submit the required documents to the department professor.
 - Fujita Academy Grant Application Sheet (*The format is on the next page)
 - CV (including your academic career, research career, publication if available)
