For TOEIC, applicants must take both TOEIC Reading & Listening and TOEIC Speaking & Writing and score CEFR B2 or higher in all four skills.

As for the certificate of language proficiency, please submit certified copies of the original documents from the university, embassy, or other official institutions, NOT the original one.

Scores of qualifications and examinations are only valid for December 2023 or later.

Certificate to prove that you have completed your entire education with English or Japanese as your primary language.)

- ☐ **Certificate of Health** --- Template format 8
Certificate of Health (for 2026) to be completed by the examining physician. Please fill out in Japanese or English.

Notes:

- Documents must be in Japanese or in English. If the certificate is written in a language other than Japanese or English, please attach a Japanese translation as well as the original.
- Certificates and other official documents must be issued by the university or officials.
- When submitting the copies, certified copies of the original documents from the university, embassy or other official institutions will be accepted. If not, the documents cannot be accepted.
- The documents submitted will not be returned under any circumstances. Applicants must submit certified true copies of the original documents from the university, embassy, or other official institutions if they have only one original and cannot get it reissued.
- Applications will not be considered if any of the documents are incomplete, incorrect, or lacking

supporting evidence, nor will they be considered if they arrive after the deadline.

II. SELECTION METHOD

The selection of recommended candidates will be made through document screening and interviews conducted by the faculty members, etc. The successful candidates will be decided taking into consideration all aspects of the application, including the relationship between the applicant's university and FHU, their academic performance, the level of their universities and recommendation letters.

III. APPLICATION DEADLINE

January 5, 2026 (Japan Time)

(Submitting the application documents to the Center for International Relations by the department professor.)

IV. ANNOUNCEMENT OF THE RESULTS

(1) Selection of FHU Recommended Candidates

Applicants will be notified of the screening results by e-mail by the end of February 2026 (tentative).

*No objections and inquiries regarding the selection results will be accepted.

(2) Selection of Scholarship Grantees

Candidates will be notified of the MEXT decision by e-mail by the end of June 2026 (tentative).

*No objections and inquiries regarding the selection results will be accepted.

V. NOTES

- After your arrival in Japan, it will take about a month to a month and a half to receive your scholarship, so please prepare at least USD 2,000 to cover your immediate living expenses.
- After your arrival in Japan, you must enroll in National Health Insurance in Japan.
- MEXT will conduct a selection process for those recommended by the university and will determine the scholarship recipients and the period of the scholarship in June 2026. Therefore, there is no guarantee that you will be selected even if you are recommended by the university.
- If you are selected as a scholarship recipient, information about the recipient (name, gender, date of birth, nationality, host university/graduate school/faculty, major field of study, period of enrollment, post-graduate career path, and contact information) will be shared with the relevant government agencies for the purpose of using the information for international students' programs implemented by the Japanese government. In addition, information may be published in public relations materials by the Japanese Government to promote the acceptance of international students.
- If you are selected as a scholarship recipient, you will be asked to accept this handling in a pledge that stipulates the items to be observed as a MEXT scholarship student. MEXT will accept applicants who agree to the policies as MEXT scholarship students.

VI. SECURITY EXPORT CONTROL

In accordance with the Foreign Exchange and Foreign Trade Law, FHU has established the Export Control Regulations and conducts strict screening when accepting international students. Please note that you may not be able to receive your desired education or conduct research if you fall under any of the restrictions.
