Fujita Academy Grant Application Guide

I. Fujita Academy Grant

Fujita Academy offers its own financial support, the "Fujita Academy Grant," for prospective international students who demonstrate strong motivation to study at Fujita Health University (FHU) but face financial difficulties. Recipients are not required to repay this grant.

II. Scholarship amount

The grant covers the following fees:

Admission Fee	Exempted
Annual Tuition	Up to 4 years*
Dormitory Fee	Up to 4 years* Housing outside the university dormitory is not covered by the grant.

*Whether the annual tuition and dormitory fees will continue to be exempted in subsequent years will be determined through a screening process based on the annual progress report submitted by the recipient at the end of each academic year and the number of credits earned.

III. Eligible students

Eligible applicants are international students with foreign nationality who intend to enroll in the FHU Spring/ Autumn admission 2027.

Number of recipients for 2027: 2 students

IV. Application schedule

Application Period	November 1- 30, 2026
Result Announcement	January 2027

*Note: The above application period applies only to the 2027 Spring and Autumn Admission. No additional application periods will be offered.

V. Application method

Applicants must consult with the supervising professor of their desired program about this application in advance and obtain the necessary information and documents from them. Please have the application documents submitted to the Center for International Relations through the supervising professor of the laboratory. Direct applications from international graduate students will not be accepted.

VI. Selection Process and Result announcement

The first screening will be conducted based on document review. Candidates who pass the first screening will undergo a second screening in December, consisting of an online interview (in Japanese or English). Final recipients will be selected after the interview.

VII. Result Announcement

The result will be notified to the supervising professor by email in early January.
